The Court is in receipt of the plaintiffs' unopposed motion to relate. Defendants have not appeared. The Court is inclined to grant to motion but waits for defendants to be served in the event that an objection is made. Defendants shall file a notice of its position as soon as is reasonably possible. Further, given the number of cases at issue, the parties shall meet and confer to discuss whether a consolidated complaint will be filed. To the extent motions to dismiss are anticipated, they

1 must be coordinated. The Court will conduct a case management conference with the parties to
2 discuss the most expedient manner to address the pleadings.
